

The cover art features a vibrant red background. In the center is a large, dark, circular shape with a rough, textured edge, resembling a planet or a nebula. Inside this dark circle is a bright yellow sun with radiating lines. The text 'SPACE NEEDLE' is centered on the sun in a bold, black, sans-serif font. Below it, 'RECORDINGS 1994-1997' is written in a smaller, red, sans-serif font. Several white stars are scattered around the dark circle, and a small red silhouette of a person with arms raised is positioned at the bottom center of the dark circle.
